HOW TO ORDER

U.S. ORDERS

To place an order for a Dynamax 8 or a Dynamax 6, print or type your name and address in the spaces provided. Please be sure to include your telephone number in case we have to contact you for additional information pertaining to your order. Include full payment, or you may if you wish, submit with your order a deposit of 25 % of the total cost of the instrument (\$150.00 for the Dynamax 6 and \$200.00 for the Dynamax 8.) The balance of the total cost is required prior to shipment.

Accessory orders (tripods, eyepieces etc.) should be paid in full with the placement of the order.

FACTORY PICK-UPS

To save on shipping costs you may pick up your telescope at our West Hartford plant. Factory pick-ups require payment by **certified** or **cashiers check, money order** or **cash**, including Conn. sales tax (state residents only). Since we ship out these instruments daily, call Criterion to arrange and confirm a specific date and approximate time, you will pick up the instrument at our factory.

INTERNATIONAL ORDERS

Full payment in U.S. Funds must accompany the order form. Please indicate on the order form, the type of voltage you will require in order to operate the clock drive in addition to whether or not you will require reversed motors and setting circles (for use in the Southern Hemisphere.) Unless specified otherwise, on the order, our instruments are supplied for use in the United States., (110v-60Hz, Clockwise rotation.)

SHIPPING CHARGES

Prices on all models are F.O.B. Hartford, Conn. The Dynamax 8 is usually shipped via air freight with shipping charges collect. The Dynamax 6 is generally shipped U.P.S. also charges collect. Of course if you have a particular carrier you wish to use for shipment, please let us know and we will make shipment by whichever method or carrier you prefer. Since all shipping charges are collect, you may wish to phone your local air freight or UPS office to get a cost estimate for shipment from Hartford, Conn. to your particular area. Cost will be based upon shipping weight of the instrument and distance from Hartford, Conn.

Shipment of all international orders is made via Air freight with all the shipping charges collect. All shipments are insured and guaranteed for safe arrival.

DELIVERY

Orders for our instruments are filled in order of receipt. While every effort is made to get your order to you as quickly as possible, we have no control over the influx of orders we receive. As a result, the delivery time is variable on a daily basis. Shortly after you place your order you will receive an acknowledgement stating a specific shipping date so that you will know when to expect your shipment.

In a hurry? You may, if you wish, order by phone. Simply call us at: 203-247-1696 and place an order over the phone which can then be confirmed by actual order blank and your payment. By so doing, your order will be put into our production schedules as of the date of the phone call and one of our staff will advise you of the current delivery time.

You may feel free to cancel your order at any time prior to shipment and we will immediately refund your payment.
